BARBECUE RANGE 2020/21

Outdoor
Living

With over 110 years of innovation, Masport has grown to become a market leader for outdoor garden and lifestyle products. Synonymous with quality and reliability, the brand has been trusted by Kiwis for generations. Due to ongoing success Masport is sold in over 45 countries worldwide and continues to develop outstanding products that has been recognised by gaining the Highly Commended Trusted Brand 2020 for barbecues.

Regardless of whether you want a barbecue to be the centrepiece of your outdoor entertaining area or you simply need something to sizzle up the steak and sausages at the flat or holiday home, Masport has the right model to suit your needs and lifestyle.

Barbecue
Features

4 BURNERS
Four stainless steel main burners provide power and even heat distribution over the cooking surface.

6 BURNERS
Six stainless steel main burners improve heat distribution over full cooking surfaces.

SIDE-BURNER
Side burner provides a hob type option when required.

TEMPERATURE GAUGE
Temperature gauge keeps you in control when pre heating and roasting.

HOOD WINDOW
The safety approved glass window is integrated into the hood allowing a full view inside the barbecue without having to open, maintaining heat integrity.

BARBECUE COVER
Comes with UV resistant Oxford cover.

ROTISSERIE
The rotisserie can use direct heat off the rear infrared burner and indirect heat from the main burners for even roasting.

INTERCHANGEABLE COOKING SYSTEM
Unique to Masport, the Interchangeable Insert Cooking System extends your cooking options with grill and hotplate inserts; kebab racks and skewers; and a pizza stone.

FAT AWAY DRAINAGE SYSTEM
Unique to Masport, the Fat Away Drainage System (FADS) helps to efficiently direct away excess fats, oils and unnecessary juices along specially designed channels and into a collection cup.

KEBAB RACKS & SKEWERS
Stainless steel kebab racks and skewers provide an easy way to turn food on the grill without sticking.

304 STAINLESS STEEL
304 stainless steel provides a modern and stylish finish with extra protection against the elements.

TIMER
Cooking timer allows you to set your desired time and the alarm reminds you when time is up.

LED DASH AND GRILL LIGHTS
Whether it's on the control knobs or the dash, the bright LEDs will improve visibility in a very stylish way.

SMOKER TRAY
Smoking is a very popular option when roasting or dedicated hot smoking. The integrated smoker tray is easy to prepare and runs off the barbecue burners.

USB PORT
USB ports allow your gadgets to be charged or powered up whilst using the barbecue. Especially useful if running cooking probes and other accessories requiring power.

REAR BURNER
Rear infrared burners are great for direct radiant heat with rotisseries but are also useful for grilling and browning off barbecue food.

NATURAL GAS CONVERSION
A natural gas conversion kit is available to run your barbecue from mains natural gas.

WOK BURNER
Wok style of burner provides versatility.

* The above features are available on selected barbecues only

Entertainment Series

Masport brings you this impressive range of Entertainment barbecues, where 304 stainless steel is blended fashionably with combinations of vitreous enamel and durable powder coat processes. 304 stainless steel is an austenitic steel with higher levels of nickel and chromium, which means superior corrosion resistance.

Commander

If it's durability and high quality materials you want and a no compromise cooking experience then this is your best choice. It's an exceptional looking barbecue finished in high grade 304 Stainless steel.
