FLAME THROWER IGNITION - LIGHTS FIRST TIME, EVERY TIME!

RAPID PRE-HEAT - FROM 0 TO 250°C IN NO TIME FLAT!

ALL MODELS INCLUDE A BUILT IN TEMPERATURE GAUGE

NATURAL GAS CONVERSION KITS ARE AVAILABLE TO RUN YOUR ZIGGY TO MAINS NATURAL GAS

Heat

Each burner is ignited using the Ziegler & Brown flame thrower ignition system. Light any burner first time, every time.

High Dome Hood

High Dome aluminium hoods with accurate temperature gauges. No compromises with Ziggys - you get the best with every grill.

Venting

Excess heat and greasy smoke is exhausted from a rear vent. It's safer, more comfortable for the operator and it doesn't splatter grease all over the grill and its side trays.

Burner

Single, twin or triple stainless steel burners are fully controllable for more economical gas consumption and performance with more punch when cooking power is required.

Down Under Grill

The Ziegler & Brown Grill series has been proudly designed, tested and used probably every day in Australia and New Zealand.

Clean Up

Clean up couldn't be simpler with a useful collection tray collecting excess fats and oils that run quickly down the dome shaped grill body.Cooking grills are rust protected and can fit ito a dishwasher.
